

Renison International Summer Program “FUTURE READY”

Campus: University of Waterloo, Waterloo, Ontario

Dates: July 6 – July 17, 2026

Program Overview: The Future Ready program is designed for high school students who are interested in experiencing life and studies at a University of Waterloo and motivated to build knowledge and skills as they engage with some of the world’s most challenging issues.

The Future Ready program offers:

- Exposure to different ways of understanding and thinking about some of the world’s biggest problems.
- An interdisciplinary approach to promote problem solving and idea generation.
- Diverse and dynamic learning environments fostering important academic and career-ready skills, including communication, collaboration, presentation, leadership, and critical thinking skills.

Age of participants: high school students aged 15-18

What will you learn (Class 25 hours per week):

- Investigating Innovation
- Exploring Culture
- Cultivating Communication
- Navigating Projects: From concept to completion

Accommodation:

- On-campus Student Residence, double room (breakfast, lunch and dinner Monday to Friday, brunch and dinner on Saturday and Sunday at the cafeteria).

Excursions (Full day trips): Canada’s Wonderland, Niagara Falls,

Afternoon Activities: Waterloo Park, Bowling, Bonfire party, Salsa in the Square, Fairview Park Mall, and more...
